#### 4. Discussion

- Mr. Baďura, stated that he created the Statutes of the organization with worldwide activity and had them registered with the Ministry of Interior of the Slovak Republic. The reason for this step was the fact that the our ESHRKF Championships wanted to participate athletes from other continents, we could not allow them to participate in the competition due to our statutes. For this reason an organization will be set up to enable athletes from all over the world to compete with it. The plenary of the General Assembly welcomed this proposal.
